Special New Year's Eve Supplement

From Our Inspector...

To The Members of the 705 Masonic District, and Friends,
On this last day of 2018, I want to take a moment to thank each and every one of you for being a part of the world's largest and oldest fraternity, "Freemasonry" and a member of the 705 Masonic District. Ours is a unique and rapidly evolving fraternity, and one that will continue to thrive on change and transformation.

Today we'll complete a year filled with the changes we've implemented setting the foundation for the years ahead. We've qualified and installed new officers, created new Lodges, expanded and even consolidated some. Our shifted footprints in the sands of time shows our strength in our belief that all men are created equal and that over time each one of us can achieve goals only possible with dedication and service to our family, our community, our Country, and Freemasonry .

Take a moment to be proud of this year. The 705 Masonic District, Division 7 of the Grand Lodge of California continues to demonstrate the unique character of Masons. It is with great pride that I say that the challenges and changes in our Lodges is an ingredient of a Strong Worshipful Master. I congratulate each and every one of you for your part.

Special thank you to our Officers Coach, you are not forgotten. I look forward in working with you next year as we prepare our officers to take charge of their upcoming duties.

To all, I believe that with your continued participation in our Officers School of Instruction, masonic education, and other Masonic activities in 2019 will bring a year of continued learning and growth.

I wish you and your families a safe, healthy, and Happy New Year. Let's close 2018 with the blessing of Our Great Architect of the Universe today and get ready for a great year together in 2019!

Alberto Casanova Jr.
Inspector 705 Masonic District
